Summary:

A skilled and motivated Python/Django Developer with hands-on experience in web application design, development, and database management. Successfully engineered a full-stack project from concept to completion during an internship. Seeking a challenging role where I can leverage my backend development skills to contribute to scalable and efficient web solutions.

Technical Skills:

- **Programming:** Python, C, C++
- **Web Development:** Django, Django Rest Framework(DRF), HTML, CSS, JavaScript.
- **Database:** MySQL, SQLite, PostgreSQL
- **Data Libraries:** NumPy, Pandas, Matplotlib, Seaborn, Plotly, Bokeh
- **Tools & Technology :** Git, GitHub, VS Code, MS Office
- **Soft Skills:** Time Management, Problem Solving, Creativity

Projects:

Online Dance Academy | Full-stack web Application

- Engineered a comprehensive platform using Django, MySQL, and Bootstrap for students to register, browse courses, and view instructors.
- Developed a robust admin-facing dashboard to efficiently manage schedules, fee collection, and track student progress.
- This project was developed during my internship at Ypsilon IT Solution Pvt. Ltd

Note Sharing Website | Full Stack Web Application

- Designed and built a collaborative platform for students to upload, share, and download academic notes.
- Implemented key features including secure user authentication, category-based filtering for easy navigation,
- and a full-featured admin panel for content moderation
- Developed as a personal project to deepen full-stack development skills.

Internship Experience:

Python Developer Intern | Ypsilon IT Solution Pvt. Ltd, Indore

Oct 2024 – Apr 2025

- Developed the 'Online Dance Academy' web application from concept to deployment using Django, MySQL, and front-end technologies.
- Implemented core functionalities including a secure user authentication system, a comprehensive admin dashboard, and modules for student registration and progress monitoring.
- Applied Django's MVT architecture to ensure a scalable and maintainable codebase and contributed to UI/UX design using Bootstrap for a responsive interface.

Education:**B.Tech** – [Electronic and Communication]

- Prashanti Institute of Technology & Science, Ujjain – May 2024

Higher Secondary (PCM)

- Govt. H.S. School – June 2020

High School

- Govt. High School – June 2018

Certifications:

- Python Internship – Ypsilon IT Solution Pvt. Ltd.
- Web Design Certificate – Universal Informatics
- C/C++ Certificate – Universal Informatics

Languages:

- English
- Hindi

Personal Information:

- Date of Birth: 02/07/2002
- Father's Name: Mahesh Sahu
